## BRITISH COMMENCE SECOND PORTION OF HUGE OFFENSIVE ON TEUTONIC POSITIONS

Second Line of German Trenches Subject of Resumed Drive by the Allies, With Several Successes Reported.

### FRENCH PREPARING FOR RESUMPTION OF ATTACK

Holding of Delatyn Expected to Give Russians Opportunity for Greater Success Than Last Few Days Show.

[By Evening Herald London Wire] London, July 14.—The second portion of the British offensive on the Somme front was opened today, and the first of the day the British forces gained important successes. This preceded the German second line of defense over a front of about four miles, captured the town of Hamel, and the town of Longueval, and made considerable gains in the latter. The prisoners taken include two colonels.

One hundred Russian soldiers who had been surrounded in the Tarnopol region and had held out were rescued in the morning.

While it was expected the British would not attack until the middle of the month, the offensive was resumed today. The British forces were reported to have captured the town of Hamel, and the town of Longueval, and made considerable gains in the latter.
